Hi, again. I just spoke with Johanna, and she suggested that we not mail the materials to the IRs until the Congressionals have been notified and the press release issued. I'll let you know when we have a firm time for each of those actions.

Thanks!

Cynthia

Hi, Dave. Just checking in on the status of the listing materials. I have a meeting at 10:00 to discuss the roll out of the FR Notice, and I'll get back to you when I know more. Thanks!

Umm, Monday is a holiday. I'd say Tuesday will have to do.

Hi, Dave. Looks as though we have an extra day on the NPL FR notice. I would suggest that we not send the CDs until Monday. We don't want to chance them getting to a library before Congressionals are notified on Wednesday afternoon. However, use your best judgement on this - you have more experience with these listings than I do.

Thanks!

You have probably already heard this news. Please pass along to the remainder of the GKM-LT. Thanks. Johanna

FR publication has been moved one day and is now scheduled for **Friday, September 9**.

The HQ press release is scheduled to be issued on the afternoon of **Wednesday, September 7** at which time the Superfund web page will be updated with the new sites, a pre-publication version of the FR notice, HRS documentation records and response to comments support documents.

Congressional representatives will be notified on the morning of Wednesday, September 7.

Please let me know if you have any questions.
